

The Top Priority of Prayer
Luke 10:38-42

Being with and listening to Jesus makes you whole.

- The top priority of prayer is listening to God.
- What makes you whole is the service you receive from the Lord, not the service you give.

Without prayer our service is spoiled.

Throughout your day stop, look, and listen to Jesus.

- You cannot listen if you haven't stopped.
- Look at Jesus by calling to him.
- Listen to God speak through his word so you can hear God speak through a whisper.
